

— REVEALING THE WINNERS — OF THE INFLUENCERS AWARDS MAURITIUS 2023

For this fourth edition of the Influencers Awards Mauritius, the organising team has put every effort in the preparation of a world class awards ceremony.

Greeted by the musical notes of the talented violonist Elis Santana, the nominees shared their experience with our Master of Ceremony Jerry Naina as our invitees immortalised the evening.

Indulging in the succulent dishes concocted by the Chef of Royal Green Wellness Resort and his team, the invitees were kept in awe by the outstanding performances of Mauritian artists Jeremy Pavillon, Free Move Dancers and Mystral Aerial Art.

Anticipation gradually built up and it was in a cheerful vibe that the winners of the Influencers Awards Mauritius 2023 were revealed.
